I was a **Computer** when **Computers wore Skirts!**
 This is me at my work. I was a Mathematician. Do you know my name?

CLUE:
 I love to count everything!

Media/Text to explore...	What I learned/What this made me think...
<p>Hidden Figures movie trailer is about me and two other Computers who wore Skirts. <i>What was my name before it was Katherine Johnson?</i></p>	<p><i>What are the two other Computers' names who wore skirts in the movie? What were their career aspirations? Did they need to know math for their jobs?</i></p>
<p>Watch this video about the girl who loved to count. What areas did she have a major impact on?</p>	<p>Based on your selection of media/text, what did you learn about Katherine Johnson?</p>
<p> Image Credit: NASA</p> <p>Where is this building in Virginia? What is the purpose of this facility?</p>	
<p>Peruse this History Making article. Did this person start out as a Computer who wore a skirt? Did it involve math knowledge & skills?</p>	
<p> Discoveries from the world of science and medicine Interview with Katherine</p>
